Start Time: 12:00 **End Time:** 13:30 **Meeting Location:** Google Meets

Moderator : Blirona Keraj

Other Members Present: Inejda Pali,Fiorela Marra,

Xhoana Hajdari,Tomi Jorgji, Tea Facja

Members Absent: ---

Topics Discussed:

- Discussed about the diagrams and use cases
- Assembled all the contribution of each member to the creation of use cases and diagrams
- Discussed about the accuracy and completeness of the work of each member
- Set the tasks and the objectives that must be fulfilled until the next meeting.

Decisions Made:

- We decided to divide the work based on the tasks of the previous week
- Each user had been doing the user scenarios for the assigned users, and the use cases will be divided based on that way.
- Also the other diagrams were said to be done by the one that dealt with sketches last week
- Blirona was responsible for filling the Use cases related to admin
- Fiorela was responsible to deal with some types of diagrams such as Activity diagrams
- Xhoana was responsible for completing the use cases details of the receptionist part.
- Tomi was responsible for creating the use cases details for the economist
- Ina are responsible for filling the use cases details of the Dentist
- Tea worked with the use cases related to patient user
- After everyone did his part we assembled the works and proceeded with the mutual use cases related with more than user
- The use cases diagram we created by all group members based on the use cases tabular forms.

Tasks Assigned:

Read and try to understand each step of use cases creation and the relationship among different actors . Fulfill the responsibilities assigned during the meeting. Collaborate about the tasks assigned with the other group members Be punctual for the next meeting.

Time, Place, and Agenda for Next Meeting:

14:00 Google Meets, on 13.05.2020
